

## **ISO 9001:2015 Lead Auditor Training**

Saskatoon, November 27 - 30, 2017

**Presented By**

**SAI Global in partnership with ASQ SK and Norseman Structures**

Quality Management offerings for Lead Auditor in Saskatchewan are infrequent. ASQ Saskatchewan is proud to offer this exceptional training opportunity in Saskatoon **below market prices**.

Applying management systems can save your organization money, improve your product offerings, satisfy your customers, and assist in managing risk in today's tight market. In addition you can save on training by removing travel and accommodation costs for your staff. We have exceptional pricing packages for both members and non-members. You can achieve significant savings on the cost of training by being a member of ASQ Saskatchewan.

Our partners in this offering are:

- **SAI Global** is an Exemplar Global certified TPECS training provider for the Exemplar Global-QM, -AU and -TL competency units.
- **Norseman Structures** (<http://norsemanstructures.com/>) is a division of Norseman Inc., which has been in the fabric building business since 1921. It now operates in over 200,000 square feet of quality controlled manufacturing space.

### **WHO SHOULD ATTEND**

- Quality Managers, Management Representatives, Engineers, and Consultants
- Individuals who want to become Internal Auditors or Third-Party Auditors
- Individuals who want to obtain a formal qualification
- Individuals leading their companies to ISO 9001 certification

### **WHAT'S INCLUDED**

- All student course manuals and course notes
- Loaner standards (provided for training purposes only)
- Certificates of completion
- CEUs are awarded as set forth by the National Task Force on the Continuing Education Unit at the completion of each course (3.2 CEUs for the 4-day course).
- Lunch and Coffee included

## **COURSE PARTICULARS**

This course satisfies both the competency based and qualification based Exemplar Global auditor certification training requirements.

Key Session Topics:

- ISO 19001 Overview
- Managing an Audit Program
- Audit planning and Preparation
- Performing the Audit
- Reporting Audit Outcomes
- Quality Management systems
- Quality Management B19 Concepts
- The audit process and auditing against the ISO 9001:2015 standard
- Context of an organization
- Effective Audit Team Leadership
